

LABOUR PARTY

21 - 25 September

Small Business Zone

We are delighted to be returning to Brighton. The Labour Party Annual Conference is a key event in the political calendar and is attended by some 13,000 visitors including MPs, Media, Business, Third sector and members.

New for 2019 we are inviting local small traders and entrepreneurs to join this Zone located in the Brighton Centre. Nearby attractions include our 3rd sector zone, ballot, bookshop and cafe.

Each year we welcome back several small businesses to Conference, so don't just take our word for it, see what they have to say about attending our Conference overleaf.

“ Berber Leather is delighted to be returning to the Labour conference this year and very much looking forward to the new small business zone. As a micro-company, this is a wonderful opportunity to promote our products and also to chat to delegates. Small businesses are vital to the economy and we welcome the focus that the party is providing.
