

# Issues Survey 2023

Keir Starmer has said that if he wins the next election his government will be driven by five missions that will truly address the big challenges our country will face in the coming years.

He is determined to develop these missions in partnership with the British people and is keen to hear your views. Thank you for being part of this by completing this questionnaire.

**Please answer the questions below by CROSSING ( X ) in the relevant circles or boxes in blue/black ink.**

**1. Which of the following best describe your view of your neighbourhood or community at the moment?**

- I am very proud of it
- I am somewhat proud of it
- I am not very proud of it
- I am not at all proud of it

**2. If the Labour Party form the next Government, they have said they will focus on these five Missions. Which of the following would you most want to see a Government deliver? Please select one.**

- Secure the highest sustained growth in the G7 with good jobs and productivity growth in every part of the country
- Make Britain a clean energy superpower to create jobs, cut bills and boost energy security with zero-carbon electricity by 2030
- Build an NHS fit for the future by reforming health and care services to speed up treatment, harnessing life sciences and technology to reduce preventable illness
- Make Britain's streets safe by halving serious violent crime and raising confidence in the police and criminal justice system to its highest levels, within a decade
- Break down the barriers to opportunity at every stage for every child by reforming the childcare and education systems, raising standards everywhere, and preparing young people for work and life

**3. Which of the following would most indicate to you that the economy was improving in your local area? Please select up to two.**

- The cost of living coming down
- Increased job opportunities locally
- More businesses investing in the local area
- More shops opening on the high street
- Increased levels of house building
- Better transport connections
- Better local public services – e.g. leisure centres, libraries
- Social and cultural events

**4. Thinking about Labour's mission to make the UK a green energy superpower, which of the following would you most want to see delivered in your local area? Please select up to two.**

- More local homes insulated
- Better public transport infrastructure
- Better charging infrastructure and support to move to electric vehicles
- More opportunities to reskill in industries of the future
- More jobs in manufacturing and industries of the future
- Cleaner air / less pollution
- Cleaner rivers / seas
- Reduced energy bills
- Energy security so we are no longer dependent on tyrants like Putin
- More renewable energy infrastructure (wind turbines, solar panels etc.)

**5. Thinking about Labour’s mission to build an NHS fit for the future, which of the following would you most want to see delivered in your local area? Please select up to two.**

- More NHS staff, like nurses and doctors, in local health centres
- Better access to GP appointments
- Better access to dentist appointments
- Shorter waiting times at A&E
- Faster ambulance response times
- Cheaper and improved social care provision
- Better leisure facilities to stay active
- Action to tackle big killers like cancer and heart disease
- Greater investment in prevention to stop people needing hospital care
- Action on obesity
- Support for people to give up smoking

**6. Thinking about Labour’s mission to make Britain’s street safe, which of the following would you most want to see delivered in your local area? Please select up to two.**

- More police officers visible in the community
- Harsher punishments for those engaged in anti-social behaviour
- A faster courts system, so criminals are prosecuted more quickly
- More activities for young people so they have something to do
- More action to tackle violence against women and girls
- Make it easier to report crimes to the police
- Action to tackle knife crime
- Reform to the policing system, so that they are there when you need them
- Reform to the policing system to restore trust in the police

**7. Thinking about Labour’s mission to break down the barriers to opportunity at every stage, which of the following would you most want to see delivered in your local area? Please select up to two.**

- Cheaper childcare
- More childcare spaces at local nurseries
- Better quality local schools
- More opportunities to learn skills and retrain as an adult
- More local colleges and new university places
- More enrichment activities available at school (e.g. sports, music)
- More support for children’s wellbeing and mental health
- Better prospects for home ownership
- More apprenticeships and vocational learning
- More affordable rented housing

**8. Through delivering these missions we will rebuild trust that politicians will deliver what they promise. Which of the following would most reassure you that a Labour government really means what they say and would deliver for you? Please select up to two.**

- Clear goals set at the start of each year, saying what the Government will aim to achieve
- A monthly report card, setting out what the Government have and haven’t done
- Independent panels, chaired by people who are not politicians, to judge how the Government are doing and hold them to account
- A clear timeline set out for achieving each of the Government’s goals
